 - 4.1.13 any restrictions on the proposed disposal;
 - 4.1.14 the content of any community land management plan; and
 - 4.1.15 any other relevant matters the Council considers relevant to the circumstances in question.

5. DISPOSAL METHODS

5.1 Land disposal

- 5.1.1 The Council may resolve to dispose of Land.
- 5.1.2 Where the Land forms, or formed, a road or part of a road, the Council must ensure that the Land is closed under the *Roads Opening and Closing Act 1991* prior to its disposal.

- 5.1.3 Where Land is classified as community land, the Council must:
- 5.1.3.1 undertake public consultation in accordance with the Act and the Council's Public Consultation Policy; and
 - 5.1.3.2 ensure that the process for the revocation of the classification of Land as community land has been concluded prior to its disposal; and
 - 5.1.3.3 comply with all other requirements under the Act in respect of the disposal of community land.
- 5.1.4 Where the Council proposes to dispose of Land through the grant of a leasehold or licence interest, the Council must have complied with its obligations under the Act, including its public consultation obligations under Section 202 of the Act.
- 5.1.5 The Council will, where appropriate, dispose of Land through one of the following methods:
- 5.1.5.1 *open market sale* - advertisement for disposal of the Land through the local paper and where appropriate, a paper circulating in the State, or by procuring the services of a licensed real estate agent and/or auctioneer (following compliance with the Council's Procurement Policy);
 - 5.1.5.2 *expressions of interest* - seeking expressions of interest for the Land;
 - 5.1.5.3 *select tender* - seeking tenders from a selected group of persons or companies;
 - 5.1.5.4 *open tender* - openly seeking bids through tenders, including public auction;
 - 5.1.5.5 *by negotiation* – with owners of land adjoining the Land or others with a pre-existing interest in the Land, or where the Land is to be used by a purchaser whose purpose for the Land is consistent with the Council's strategic objectives for the Land.
- 5.1.6 Selection of a suitable disposal method will include consideration of (where appropriate):
- 5.1.6.1 the number of known potential purchasers of the Land;
 - 5.1.6.2 the original intention for the use of the Land;
 - 5.1.6.3 the current and possible preferred future use of the Land;
 - 5.1.6.4 the opportunity to promote local economic growth and development;
 - 5.1.6.5 delegation limits, taking into consideration accountability, responsibility, operation efficiency and urgency of the disposal;
 - 5.1.6.6 the total estimated value of the disposal; and
 - 5.1.6.7 compliance with statutory and other obligations.
- 5.1.7 The Council will not dispose of Land to any Council Member or employee of the Council who has been involved in any process related to a decision to dispose of the Land and/or the establishment of a reserve price.

- 5.1.8 If Land is to be auctioned or placed on the open market or disposed of by an expression of interest, then (unless the Council resolves otherwise) one independent valuation must be obtained to establish the reserve price for the Land. The independent valuation must be made no more than 6 months prior to the proposed disposal.
- 5.1.9 If Land is to be disposed of via a select tender or direct sale, then (unless the Council resolves otherwise) a minimum of two independent valuations must be obtained to ensure that an appropriate market value is obtained. The independent valuation must be made no more than 6 months prior to the proposed disposal.
- 5.1.10 The Council will seek to dispose of Land at or above current market valuation by whichever method is likely to provide the Council with a maximum return, unless there are reasons for the Council to accept a lesser return, which is consistent with the Council's overall strategic direction. These reasons must be documented in writing.
- 5.1.11 If the disposal is not to be on the open market, the disposal should be at or above the current market valuation (with due regard to all associated costs to achieve the transaction or such other amount as the Council resolves).

- 5.2.5 Elected Members and employees of the Council will not be permitted to purchase Assets unless the purchase is via an open tender process or a public auction, and the tender submitted, or bid made, is the highest.
- 5.2.6 Purchasers of Assets must be required to agree in writing that before purchasing any Asset, no warranty is given by the Council in respect of the suitability and condition of the Asset for the purchaser, and that the Council will not be responsible for the Asset in any respect following the sale.
